Communication Kit

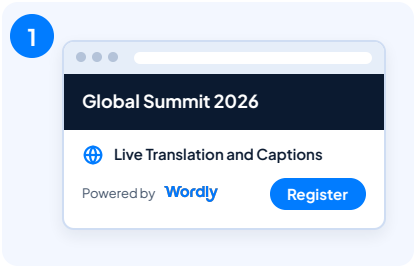

# Engage Every Attendee

## 6 Steps to Promote Translation, Captions, and Engagement

Promote Live Translation, Captions, and Audience Engagement before and during your event so more people join in their language, follow every session, and engage with your content.

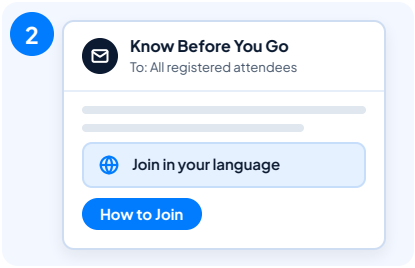

- Engage attendees in their preferred language
- Make events more inclusive, accessible, and engaging
- Capture audience sentiment and actionable insights

## Before the Event

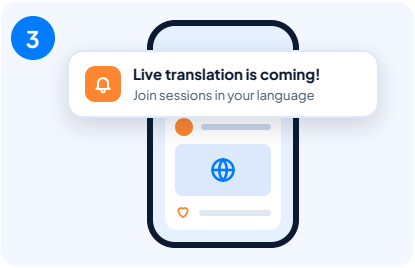

### Website and Registration

Add Wordly details and logos to your event pages and registration forms.

### Pre-Event Emails

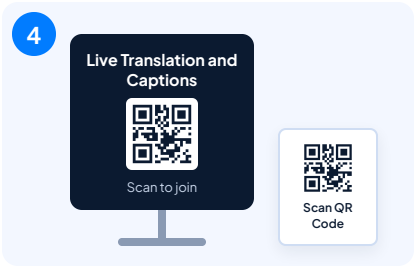

Highlight accessibility and show attendees how to join in their language.

### Social Media and Push Alerts

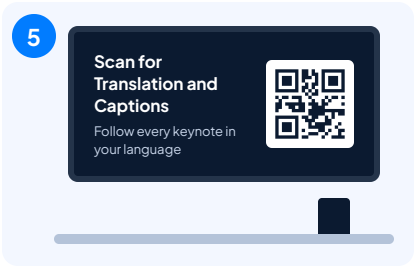

Share teasers so attendees know live translation and captions are available.

## During the Event

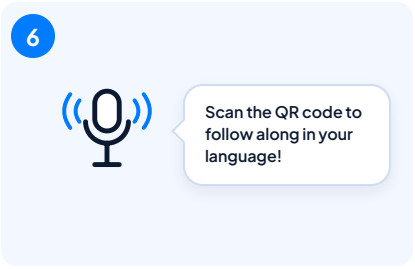

### Signage and QR Codes

Place QR codes with quick instructions at entrances, session rooms, and help desks.

### Stage Screen Slides

Show a “Scan for Translation” slide on screen before every keynote.

### MC and Speaker Reminders

Have speakers remind attendees to scan the QR code and follow along.
